

# Overture-4000

Series

## Exit Terminal

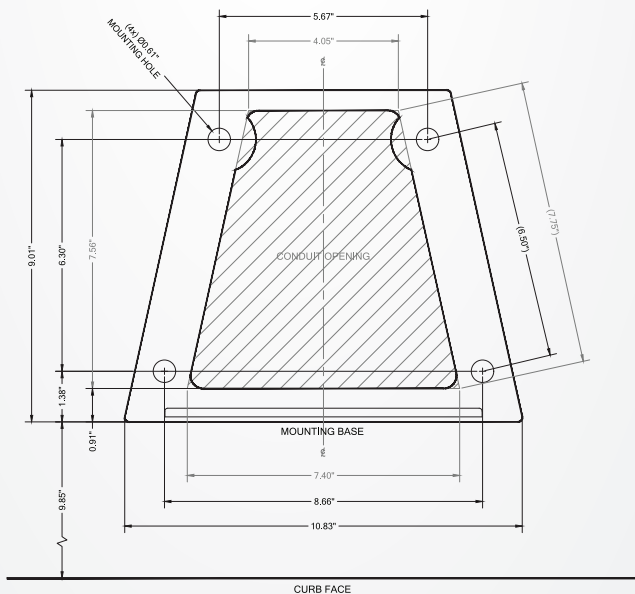

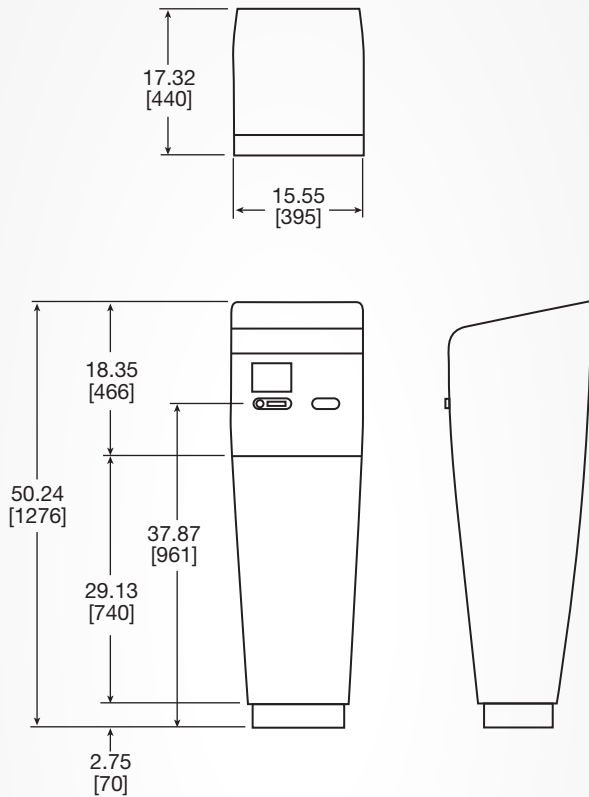

The Overture-4000 Series Exit Terminal utilizes innovative technology and a linear barcode for expedited exit from parking facilities. The Overture-4000 Series offers intuitive user guidance through a dynamic color display. The Exit Terminal processes thermal linear barcode tickets from the Overture-2000 Series Entry Terminal and Overture-7000 Series Pay-on-Foot Station, and Overture-5000 Series Fee Computer when set up as a central pay. Payment options include credit card with options for touchless payment and barcode validation tickets. An optional integrated proximity reader can be added for egress of monthly parkers.

### Features

- Rapid exit delivers increased throughput
- Linear barcode system
- 5.7" color display-sunlight readable
- Illuminated components for ease of use
- TCP/IP network connectivity
- Uses common hardware components for fewer inventoried parts and reduced service training
- Field programmable operation utilizing PC remote control
- Aluminum construction
- Powder coat finish
- Thermal receipt printer
- License plate recognition optional
- Integrated proximity optional
- Integrated intercom, multiple vendor kits optional
- Integrated IP camera optional
- EMV capability optional
- Contactless reader
- Apple Pay and Google Wallet optional

## Exit Terminal

## SPECIFICATIONS

## COMPLIANCE

## RoHS Compliant

Overture-4000 Series lane equipment does not store credit card data

Meets ADA (Americans with Disabilities Act) and ANSI (American National Standards Institute) requirements

## ELECTRICAL

**Power Source:** 120 VAC, 60 Hz

Utilization: 10 amp maximum (120V)

## MECHANICAL

Thermal printer

## TIME CONTROL

Real-time clock synchronization with host computer

## ENVIRONMENT

**Temperature:** -13°F ~ 104°F (-25°C ~ 40°C)  
Automatic thermostat-controlled heater included

**Humidity:** 10% ~ 90% (non-condensing)

## HOUSING

Heavy-duty, aluminum construction, weather gasketing, lockable door

**Dimensions:** 50.2"H x 15.5"W x 17.3"D (127.6 cm x 39.5 cm x 44 cm)

Ticket Throat: 38.25" (104 cm)

**Weight:** 110.2 lbs. (50 kg)

**Finish (Standard):** Powder coat finish. Hood and door: RAL#9005 black. Cabinet: RAL#7022 gray; custom color available

## OPTIONS

Proximity access card models optional

TCP/IP security camera optional

LPR optional

INTERCOM

Integrated VoIP intercom optional
